ARAB-HELLENIC CHAMBER OF COMMERCE & DEVELOPMENT

Memorandum of Understanding Between

First Party: Baghdad College of Economic Sciences University, which was established in 1996 in Baghdad / Iraq which is known by the attached documents. It is represented by the Dean of the College, Professor Dr. Lebanon Hatif Al-Shami.

Second Party: University of West Attica, Research Laboratory of Electronic Automation and Telematics, Athens / Greece. And represented by Dr. Evangelos C. Papakitsos (on behalf of the Director, Prof. Dr. D. Tseles).

By participating in the Fourth European-Iraqi Business and Investment Forum held in Athens/Greece by the Arab-Hellenic Chamber of Commerce and Development and in conjunction with the Baghdad Chamber of Commerce for the period 10-11/7/2019, this agreement was concluded.

Introduction

Both parties are institutions concerned with higher education and interested in providing educational opportunities for students and researchers, both are ready to achieve their goals in the fields of research and education and community services and that they have the approvals required to establish bachelor programs and provide expertise, and to enhance the fruitful relations between the two countries. Both parties are interested in providing quality education for students, scientific research opportunities for faculty members, and the establishment of joint training workshops, seminars and related exhibitions.

As both parties are ready to cooperate to embrace the academic levels in both institutions and seek opportunities to exchange experiences at the levels of students and faculty members and administrative and commercial staff through the desire of the parties to seek opportunities and cooperation in the following areas:

- 1- Conduct joint research.
- 2- Publishing the researches of the parties in the magazines approved by the parties.
- 3- The participation in conferences and workshops.
- 4- Exchange of scientific and academic experience.
- 5- Participation in the establishment of new academic programs.
- 6- Exchanging of faculty members.
- 7- Holding seminars, conferences and joint scientific exhibitions under the sponsorship of the organizers and supervisors of the European-Iraqi Business and Investment Forum.

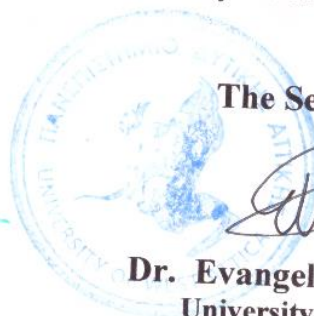

The terms and budget of cooperation for each program shall be determined after the agreement of both parties. The agreement shall be valid for three years after the signing.
